

FOOTHILL CLUB

DEELIGHTFULLY ENTERTAINED
 AT THE HOME OF MRS.
 CHAS. H. BEGG

One of the most pleasant gatherings ever held by the Foothill Club occurred Friday afternoon when the ladies of the club were entertained by Mrs. Charles H. Begg at her beautiful home at the corner of Louise and Dryden streets. The living room, den and dining room were beautifully decorated in spring flowers. Social intercourse and piano selections by the hostess, who is an accomplished musician, passed the afternoon quickly and pleasantly. Refreshments were served later in the afternoon. Special guests of the club and of Mrs. Begg were her sister, Mrs. J. W. Beard, of Indiana, who is her house guest, and Mrs. Oliver Clark.

MARRIED IN ALBANY, N. Y.,
 COME TO GLENDALE TO LIVE

Henry C. Yale and bride arrived in Glendale one day last week and at once went to housekeeping at 360 Arden avenue. The bride's maiden name was Helen D. M. Goodwin and the marriage took place at her home in Albany, New York, on May 8th. They took a leisurely trip across the continent, stopping at Utica, N. Y., the groom's former home, and other points. Mr. Yale and his brother, Arthur, who recently bought an elegant home at 205 West Doran, are conducting the Akron Tire Repairing Company at Burbank, but prefer to live in Glendale. Mr. and Mrs. Henry Yale expect to eventually buy a home here.

SORORITY INITIATIONS

Weird rites and hair-raising experiences marked a function which took place last week at the home of Dr. and Mrs. D. W. Hunt when their daughter, Dorothy Hunt, entertained the pledges of the Gamma Lambda Phi with an initiation party. The young ladies initiated into this flourishing sorority of the University of California, Southern Branch, were Misses Helen Young, Margaret White, Vivian Roberts and Louise Lundy. Miss Hunt is in the cast of the play to be given by the Gamma Lambda Phi May 28th, entitled: "Up in Nelly's Room," said to be a very exciting skit.

GRAND VIEW SECTION BUILDING
 UP

L. H. Applegate has taken out a permit for the erection of a 6-room residence and a garage at the corner of 6th St. and Grand View Ave. to cost \$3300. This is the second permit within a week for a new residence in this section of the city, which is destined to become one of the finest residential districts in the San Fernando Valley, many people think, owing to the unsurpassed view it affords of mountains and lowlands, cities and ranches.

W. C. T. U. CONVENTION

HELD LAST WEEK AT LONG
 BEACH; WELL ATTENDED BY
 GLENDALE PEOPLE

The Glendale Woman's Christian Temperance Union was well represented at the 38th state convention in the First Methodist church of Long Beach last week. Glendale delegates were Mrs. Marie Yeoman, county president; Mrs. Ruby Smart, local president; Mrs. L. E. Brown, Mrs. Inez Sipple, Mrs. Hattie E. Gaylord, Mrs. W. R. Mottern, Dr. Lillian Starr, Mrs. Katherine Rowe, Mrs. Guy Morton, Mrs. J. P. Fansett, Mrs. Pierson Hanning, Mrs. S. H. Waller, Mrs. Florence Smith. The convention was in session four days and many progressive and aggressive plans were considered for the advancement of the work. Convention slogan was "Work for enforcement where you are." The special lines of work—Americanization, Child Welfare, Social Morality, Christian Citizenship and World Prohibition now being emphasized in the Jubilee Campaign received special attention in addresses by experts on these subjects. Dr. Sara Wise of San Francisco gave a most excellent address on Social Morality that should be heard by all parents and young people; she showed the various reasons for the present wave of delinquency and crime among the rising generation. Mrs. Herbert Cable, representing the Woman's Legislative Council, considered in an instructive way the bills to be introduced at the next legislature, and the reasons for support. HOLLYWOOD FESTIVAL

GLENDALE MAKES A BIG HIT
 WITH LARGE AUDIENCE AT
 SISTER COMMUNITY

More feathers for Glendale's cap were secured Monday night at the Hollywood Festival. When the 30 machine-loads of Glendale delegates lined up in that city on two sides of two blocks the management of the festival was too astonished and delighted to know exactly what to do as it was the largest delegation any town has thus far sent to any Festival program. The band came out and serenaded the new arrivals and escorted them inside the enclosure where parking space for the machines had been reserved. Though reserved seats had been provided, too, most of the Glendale visitors preferred to remain in their machines. As they made their appearance the big audience of 1500 to 2000 persons united in a big cheer for Glendale.

A brief two-minute address of welcome was made by K. M. Turner, president of the Festival, and a response by Hartley Shaw, referred to as "The Mayor of Glendale." Mr. Shaw said in part:

"The two communities of Hollywood and Glendale are such near neighbors and so closely connected by ties of business and friendship that they should be and are on the best of terms with each other. We have had a couple of contests with you in the art of community singing as practiced by our respective community choruses but I am sure (Continued on Page 4)

BALL GAME NOTES

In the games played at noon on the Intermediate campus the Bees played the White Sox, with a score of 5 to 4 in favor of the Bees.

The Tigers played the Red Sox with a score of 8 to 5 in favor of the Tigers.

A girls' game was also played, the Tiger Lilies facing the High Flyers with a score of 9 to 6 in favor of the Tiger Lilies.

In the afternoon the Intermediate school team played the team which they had opposed four times before made up of freshmen, sophomores and juniors of Glendale High. This time the high school boys won, the game terminating with a score of 23 to 16. Some of the observers pronounced it a not particularly good game. Ronald West was given credit for playing the best game on the Intermediate side. William Morgan pitched for the Intermediates but was not very well supported. Horatio Butts pitched for the High School team and Brandstetter made the most runs for that team.

The Intermediates are to have a game with the Burbank team on the Intermediate diamond this afternoon and a game with Eagle Rock boys Wednesday on the Glendale field.

SUNDAY SCHOOL P.-T. A.

The little party for mothers of the Junior Department of the Congregational Church, of which Mrs. H. W. Yarrick has charge, took place at the home of Dr. and Mrs. Willisford Monday afternoon instead of at the church as at first planned, because the church was needed for another meeting. Mrs. Yarrick was assisted by Mrs. Chapman and Mrs. Frazee.

Mrs. Yarrick welcomed the mothers with a little informal speech in which she said the Parent-Teacher Associations had bridged the gulf between teachers and mothers in our public schools and she thought similar relations should be promoted between teachers and the mothers of Sunday school scholars. Miss Bundy of Los Angeles was the speaker of the afternoon and following the brief program a social good time was enjoyed and refreshments were served.

Mr. and Mrs. C. M. Van Dyke and family, whose home on Acacia street was recently sold, will move in the course of a few days to the residence of Mr. and Mrs. Louis Abell on Atwater avenue, which they will occupy for the summer or during the absence of Mrs. Abell who is going east with her little daughter to visit friends and relatives. The Van Dykes are storing their household effects and do not know where they will locate their next home, but it is safe to predict it will be in Glendale.

Little Margaret Brown, daughter of Mrs. A. H. Brown of 1737 Gardena avenue, has been ill of tonsillitis since last Friday.

HERRERA SUMMONED TO MEXICO CITY

REQUIRED TO GIVE ACCOUNTING OF CARRANZA'S DEATH;
 THRONGS VIEW FUNERAL PROCESSION
 (Special Service to Glendale Evening News)

MEXICO CITY, May 25.—General Alvaro Obregon, commander of the revolutionary forces, today ordered Rodolfo Herrera to surrender and answer to the charge of assassinating Venustiano Carranza, former president of the republic. Obregon declared a clear case of treachery had been proved.

The order followed Herrera's offer to come to Mexico City if given assurance of security and give evidence which he claimed would prove that Carranza died by his own hand. Herrera, in a telegram to General Pablo Gonzales, denied that he or his troops murdered the former president. He declared Carranza had committed suicide, rather than suffer dishonor of becoming a fugitive.

Surrounded by paupers' graves, marked only by heaps of stones, or simple wooden crosses, in the midst of a clump of evergreen trees on a knoll overlooking the valley in which nestles Mexico City, the body of Carranza was buried late yesterday. The mound covering the simple casket is no different from scores of those covering the more humble dead with whom Carranza was buried, according to his wishes, in the Dolores Cemetery, the Cemetery of Sorrows.

Not in years has Mexico City seen such crowds as trooped the streets during Carranza's burial. There were all classes, peons mingling with men of wealth and position and thousands of men and women elbowed their way to places where they could better view the procession.

The mob had gathered at Carranza's residence and in approaching streets long before 4 p. m., the hour when the funeral services in the home were to be held. The services were brief and they were attended only by intimate friends and a few officials.

BANDIT ARRESTED IN LOS ANGELES

ARTHUR COLLINS, CHARGED WITH MURDER OF POLICEMAN,
 SAID TO HAVE CONFESSED

LOS ANGELES, May 25.—Arthur Collins, thirty years old, was arrested today charged with highway robbery and the murder of Policeman Donald C. Hathaway, who was shot and killed when he attempted to rescue three men who were being robbed by the highwayman last evening at midnight.

Collins was found in a clump of bushes behind a house four blocks from the scene of the murder. The police declare he has confessed. Collins came here fifteen days ago from Denver and admitted he had criminal records in Chicago, Indianapolis and Denver, the police say. He said he had been a bandit for five years, according to the police.

RAILROADS WANT CLEAN SLATE

CONSIDER WAGE INCREASES AND CONCESSIONS UNDER
 FEDERAL CONTROL NO PART OF CONTROVERSY

CHICAGO, May 25.—Wage increases and agreements obtained by railroad employees during federal control were asked to be wiped off the slate and a fresh start made in arguments made by railroad owners before the U. S. Labor Board here today. The Board is hearing the railroad's side of the demands made by two million employees for an annual increase of \$1,000,000,000.

WOMEN'S AUXILIARY

PRETTY FUNCTION GIVEN AT LA
 RAMADA FOR 200 MEMBERS
 AND GUESTS

Thursday night the Woman's Auxiliary of the Glendale Post, American Legion, held one of the prettiest affairs that has taken place at La Ramada this season. About two hundred were present including members of the Post, their wives, mothers, sisters and sweethearts. Dancing, music and an original monologue by Joe Griffin constituted the program. Refreshments were served at both long tables and small tables, beautifully decorated with roses so that both small and large parties could be placed together. The supper included hot wienies, hot rolls and cake. Many ladies, who heard of the proposed entertainment and who are not members of the auxiliary, asked for the privilege of donating a cake. So many and so beautiful were these home-made confections that a few which were left were raffled off at a good figure by Alexander Mitchell, netting a neat little sum for the auxiliary treasury. The organization is growing steadily and the ladies who are promoting it hope to enroll the women relatives of every soldier who went from Glendale. They say the auxiliary can do much to promote the interests of the Post and its members and they are confident that women will sooner or later wake up to their obligations to the ex-service men in this regard and identify themselves with this working force because it is one practical way of

REEL JAZZ BAND

 AT PARTY GIVEN BY MR.
 AND MRS. LIDDELL

Mr. and Mrs. Frank R. Liddell, Jr., were host and hostess last Saturday evening at a pleasant social affair given at their home, 534 N. Kenwood, at which the guests of honor were the fellow members of "The Reel Jazz Band," to which Mr. Liddell belongs, viz: Wallace Reid, Reak Haynes, Murman Leroy, Steve Hanson and Guy Oliver. Dancing and a general good time entertained the company until a very late hour, and suitable refreshments were served, the full list of those present being: Mr. and Mrs. Wallace Reid, Miss Jeanie McPherson, Mr. and Mrs. E. H. Clark, Mr. and Mrs. W. McManus, Mr. and Mrs. Elmer Olson, Mr. and Mrs. Guy Oliver, Mr. and Mrs. Preste, Miss Irene McManus, Miss Marie Reid, Mrs. Colton Reid, Reak Haynes, Lieut. Frederick Hanson, Miss Mildred Liddell, Dr. and Mrs. Ernest Fleming, Miss Alice Fleming, Mr. and Mrs. Arthur Atkinson, Mr. and Mrs. Frank Liddell, Sr., Mr. and Mrs. Frank Liddell, Jr.

showing the boys we do not forget the service they rendered. The Post's last party for the season which is booked for June 5th has been turned over to the Woman's Auxiliary, which will be responsible for arrangements and which promises to be a delightful social affair.

HONOR BRIDE TO BE

MISS DOROTHY HUNT ENTER-
 TAINS WITH SHOWER FOR
 MISS GLADYS LAMPERT

At the home of Dr. and Mrs. D. W. Hunt at 1007 East Harvard St., a delightful function was given Saturday afternoon by Miss Dorothy Hunt in honor of Miss Gladys Lampert, who is to become the bride of Ralph Christy, of Salinas, in the near future. It was a quite impromptu and informal affair, a miscellaneous shower, which included many pretty and useful gifts. The house was prettily and suitably decorated for the occasion and a pleasant afternoon of music and games was enjoyed. Those present were: Mrs. Mildred Smith, Mrs. Edith Moore, Mrs. Marian Straight, Mrs. E. R. Case, Misses Birdie and Lillian Shropshire, Mrs. Elsie Knapp, Miss Ruth Wilson, Miss Aileen Sullivan, Mrs. Frey Rohr, Miss Jeanette McClellan, Miss Marjorie Morris, Mrs. John P. Lampert, Mrs. D. W. Hunt and daughter, Dorothy Hunt.

Mr. Christy, the bridegroom-to-be, is connected with the Spreckels Sugar Co. and his work has been at Huntington Beach, as chemist, the past season. He was in Cuba previous to that for quite awhile. He and his bride will make their home in Salinas, where another Spreckels sugar factory is located.

Y. M. C. A. SUMMER CAMP

GLENDALE BOYS GETTING
 READY FOR THIS GREAT
 ANNUAL EVENT

The boys are now registering for the big Y. M. C. A. summer camps at Pine Flats, San Gabriel Canyon, which starts June 21st for the boys from 14 to 18 years and the younger boys' camp, for boys from 11 to 18, which runs from July 2d to 14th. Any boy is eligible and the boy that goes will long remember the Pine Flats Camp for it will be an event in his life.

If parents only knew the great educational value of a Y. M. C. A. camp, knew of the careful supervision, that the camp director is a man of over 15 years' experience in such work, having dealt with thousands of boys in many camps and if they could just have a look into one of the camps and could see the big long dining tent where the boys eat, could have a peep into the tents at night and see each tent with its leader and see that man with his seven boys the next morning out among the big tall pines in morning study, see the morning inspection, the athletic instructor working with the boys and then the morning swim. Crystal Lake is a great feature and we have best of supervision over the swimming hour, says E. E. Williamson, Glendale district secretary. No boy is allowed to go in only at stated periods under the instructors.

Each boy will be assigned his place in a tent under a leader whose duty it is to help each boy get the most value from the camp. Ample latitude is arranged so that each camper may enter into the things that particularly interest him, whether it be hiking, wild animal study, swimming, games or other activities. Mt. Islip is now covered with snow and from its summit a view may be had for hundreds of miles and the woods are full of small animals and plenty of deer.

The management has tried to keep the cost as low as possible, the fee charged only covering half of the expense of the running of the camp, the balance made up by the County Y. M. C. A. This is done to put this great educational trip within the reach of every boy.

Parents will never regret sending their boys to a camp like this and thousands of young men now look back to their experiences in Y. M. C. A. camps, grateful for the Christian challenges and ideals received there. Just drop a line to E. E. Williamson, the local Secretary, and he will be glad to go over the matter with you and give all information, or call up Glendale 864-W.

NEW JERSEY PICNIC

The annual all-day picnic for people from the State of New Jersey will be held Monday, May 31st, at Sycamore Grove.

W. E. Anderson has taken out a permit for the erection of an addition to his oil station and garage at San Fernando and Los Feliz Roads, to cost \$500.

FROM SUPERIOR, WIS.

MR. AND MRS. JULIAN SELLECK
 FLEE SEVERE EASTERN WINTERS
 FOR GLENDALE HOME

Fred Thompson and wife, who occupied Julian Selleck's home at 450 Myrtle, while the latter and his wife were in San Diego, have moved over to Hollywood and the Sellecks are now at home. They came out to the coast from Superior, Wis., last August, not caring to undergo another severe winter there, and, after trying to rent a suitable residence in Glendale which they preferred to all the suburban cities they visited, they bought the W. L. Marble property at 450 Myrtle, influenced to that selection by the fact that Mrs. Selleck's sister, Mrs. C. W. Huston, and her mother, Mrs. Frank D. Patterson, live in the adjoining property, 440 Myrtle. Mr. and Mrs. Selleck spent their first California winter in seeing the sights of their adopted state, making leisurely auto tours to points of interest, from San Diego as far north as Russian River. Mrs. Selleck said she noticed in these tours that the building in the north, of residences as well as business houses, was almost negligible as compared with the southern part of the state. When twitted on the stagnation in this line, as compared to Los Angeles and its surrounding cities, the San Franciscan would invariably reply: "Look at our bank clearings, the largest of any city in the state. That shows we do the most business." But the average person knows that this is due almost totally to her being the main port of entry for the entire west coast and that when the Southland enters into its own in this respect, the figures will be reversed. Mrs. Selleck says she and her husband are more than pleased at their choice of a home city and have no desire to make a change.

CHAMPIONSHIP BALL GAME
 NEXT SATURDAY

The final game for the Inter-scholastic League of Southern California baseball championship will be played next Saturday afternoon between Glendale and San Diego, the latter having defeated Norwalk, 9 to 2, last Saturday afternoon while Glendale was downing El Cajon. The game will be played in some city between San Diego and Glendale, probably Santa Ana or Fullerton and will undoubtedly attract wide interest, as it will be the culmination of a season's intensive play on the diamonds of more than a score of Southern California high school teams.

X V I CLUB

Members of the X V I Club were entertained Saturday by Mrs. Faith Storey at her home in Burbank, which was beautifully decorated with flowers in honor of the event. The ladies present were: Misses Birdie and Lillian Shropshire, Miss Alice McCoy, Misses May and Carrie Cornwell, Mrs. Lester Jones, Mrs. Llewellyn Andrews, Mrs. Joe McFadden, Miss Fredonia Borthick of Los Angeles, Miss Harriet Nichols, Mrs. Warren Roberts and the hostess, who served a delicious, two-course luncheon at the close of a social afternoon, the guests being seated at a prettily-appointed table centered with a bowl of Cecil Brunner roses.

SURPRISE LUNCHEON

FRIENDS OF MRS. LESTER JONES
 CHRISTEN HER NEW HOME
 ON CEDAR STREET

Very pleasantly surprised was Mrs. Lester Jones at her pretty new Colonial bungalow at 309 Cedar St. last Saturday. She and Mr. Jones took possession of it about ten days ago. The friends with whom Mrs. Jones is in the habit of playing cards at the Foster Bridge Club gathered at her home Saturday noon, bringing "the fixings" for a three-course luncheon and also gifts for the furnishing of her home which were presented just as the luncheon was served. Each guest toasted the hostess wishing her good fortune and joy in her new environment, which was inspected and duly admired by the company. Following the luncheon, cards were played during the afternoon. Ladies present were: Mrs. Helen Campbell, Mrs. W. H. Crocker, Mrs. Heller, Mrs. A. H. Montgomery, Mrs. Douglas, Mrs. B. M. Tresslar, Mrs. C. E. Norton, Mrs. Hilliard of Los Angeles, and Mrs. Lester Jones.

Personals

Jacob Fink returned home today from a trip to Redlands and Whittier, in both of which cities he did scenic sign painting.

Geo. H. Robinson and wife have moved into their new 5-room bungalow at 630 North Jackson, just completed for them by Contractor F. W. Pigg.

Mrs. Arthur Yale of 205 West Doran and her sister-in-law, Miss Regina Becher, of 319 West Wilson avenue are in Santa Barbara to spend a week.

Mrs. J. A. Wright of 332 East Dryden street has been at Santa Monica for about a month and expects to be away for four to six weeks longer. A niece is with her this week.

Miss Lillian Shropshire spent Sunday in Ontario with her mother, who had been suffering from rheumatism for over a week. She found Mrs. Shropshire considerably improved.

A. H. Montgomery of 415 South Central avenue, who has been gone two months on a business trip which took him to Denver, Salt Lake, Portland, Seattle, and other western points, returned last Friday.

Mrs. Ella Richardson of Riverdale Drive is expected home from King City Saturday. While she has been there her daughter and son-in-law, Mr. and Mrs. Shives Mitchell, have visited San Francisco.

Mrs. A. T. Dobson of 311 West Vine street spent the week-end at the beach. Her sister arrived last night from Portland, Oregon, to take a position with the Fox Film Company.

A stripped Hudson Super-Six was found alongside Verdugo Road, yesterday, by W. P. Bullock, near his home. It proved to be the property of J. G. R. Benz of 959 Fedora St., Los Angeles, who was notified to come and get it.

H. M. Robertson, of Pasadena, arrested Friday night at the corner of San Fernando and Los Feliz Roads, charged with intoxication and wife beating, plead guilty yesterday before Judge Lowe to the former charge and was fined \$20, which he paid.

S. W. Fenton completed his purchase of the C. W. Hughes grocery store at 501 Vine street, Monday, and took charge of the business. Mr. Hughes is winding up his affairs so he and his wife can get away on their trip across the continent to visit points in Maine and other states along the Atlantic seaboard.

A party which has selected Keene for their objective for a week-end trip will include Mr. and Mrs. Clyde Bott, Mr. and Mrs. Brain and a friend from Los Angeles and Dr. C. Stuart Steelman. This camp is not far from Hemet and is said to be one of the most beautiful mountain resorts of Southern California.

Mr. and Mrs. H. O. Melone, Mr. and Mrs. C. N. Erling and Dr. and Mrs. C. R. Lushy returned the latter part of the week from a most delightful five-day outing at Camp Eureka, Big Bear Lake. They say the weather was fine and the fishing fair. The party had its fair share of luck, Mrs. Lushy catching a three, and a half pound trout and landing it herself.

Mr. and Mrs. C. H. Crawford of 1319 North Central avenue find their interests centering on the wedding of Mrs. Crawford's sister, Miss Clara Vickers, of Los Angeles, who will wed Wednesday evening Roy Naspzger, whom she has known ever since they were university students together at Stanford. The happy man entered the army during the war as a captain and during the Argentine offensive was made a major for bravery in action.

Thad E. Yager and family and King Barton and family left this morning, by auto, for a week's outing at Big Bear, hoping to catch many trout.

Mr. and Mrs. Blake Franklin and family spent the week-end at Manhattan Beach, where Mr. Franklin had such excellent luck in catching Yellow Fins that they brought home a nice lot of fish they are now enjoying.

L. W. Babcock of 413 North Isabel made a trip to Coachella Valley last week to see the commencement of the drilling of the first well on the 80-acre tract he is interested in. G. E. Wood and Miss Lillie Wood, his sister, of North Louise, and A. A. Appling, of Sioux Falls, South Dakota, who is visiting here, accompanied him.

The fishing party consisting of J. George and J. R. Bentley, B. F. Cline, F. A. Terlutter, T. S. Brown, W. S. May and W. P. McMullin, that went to Big Bear Saturday for a two days' outing, had a mighty fine time but got only two fish. They saw considerable snow in the high mountains and in the shaded canyons. Geo. Bentley says the late spawning of the trout is given as a reason for the poor fishing thus far.

Mrs. W. H. Crocker, who has been a resident of Glendale for more than a year and who purchased what was known as the Pack place, is leaving for New York Thursday. She will spend the summer there, but her friends are hoping she will return to Glendale for the winter. She has been a member of the Foster Bridge Club ever since it was organized and will be much missed in that organization and by a large circle of other friends. During her absence her home will be occupied by her friend, Mrs. Heller, of New York.

Mrs. James E. Peck of Calexico, president of the Parent-Teacher Association Federation of the Imperial Valley, was the guest last week of her parents-in-law, C. E. Peck and wife, 116 S. Louise, and attended the State Congress of Mothers and P.-T. A. Associations. Sunday evening her husband joined her here and they went to San Francisco, where he was due to attend the monthly meeting of the State Creamery Association in his capacity of president of the Imperial Valley branch. Mrs. Peck takes this opportunity of visiting her sister in Oakland.

WEATHER FORECAST: Fair tonight and Wednesday. Somewhat warmer Wednesday.

Let Yours Be Bentley-Built

The advantages of home-ownership are being felt and understood today as never before. The most desirable community in which to live and rear a family is that which comprises a large percentage of people who own their homes. They are permanent residents and have the interest of the community at heart. Glendale is a home-owning community and many of the most attractive and substantial houses—the happiest homes are Bentley-Built. Our Building Service has enabled many families to become home owners.

See LOS ANGELES HARBOR and VISTA DEL ORO

Come and see the Harbor and City we are building. You will see the Goodyear Plant, Shipping Yards and Dry Dock, New Union Oil Refinery, Standard Oil and General Petroleum Export Stations. We are running Free Excursions from our office, 104-A North Brand Boulevard, three times a week

Tuesday, Thursday and Saturday

AT 1:15 A. M.

We cannot bring our property to you, and it would be impossible to tell you what an opportunity it is. You must see and judge for yourself, hence we will take you to see for yourself.

The trip includes Car Ride, Auto Ride and 20-Mile Boat Ride through the Harbor. See the Mammoth Municipal Docks, Sheds and Warehouses, the Lumber, Shipping, Fisheries and Canneries, the U. S. Warships, Submarines and Hydroplanes, the Government Constructed Breakwater and Light House; see where the Government, the City and the large Corporations are spending Millions of Dollars for improvements.

As an Investment, SEE VISTA DEL ORO

The late Jas. J. Hill once said: "If I wanted to succeed I would watch the successful man and do as he has done." Some of our most successful men in Southern California are the men who have made wise investments in real property, that is who invested in well located real estate and held it.

You work hard for your money, make it work hard for you; it will work harder and faster in well located property at the harbor where a big city is building now, than any place we know. Stop and think. Los Angeles Harbor is the center, the Gateway of our great rapidly developing Empire of the Southwest, and the place of exchange for its products and the products of the Orient. Europe and other parts of the world brought to our door by the shipping of the world.

VISTA DEL ORO

The sub-division beautiful, is located on high ground, high, sightly and beautiful, above the smoke, the fog, the dust and the damp, at San Pedro, the Big Business Section of the Harbor, a city of Commerce, Foreign Trade and Industries. Great, but growing greater. A city offering an opportunity for unmatched real estate values in all that beautiful vicinity overlooking the mountains and the sea.

In fact, no city ever had such dependable resources and no city in the West today is the center of such a developing Empire. With its strategic location, its vast and rapidly developing commerce, industries and business, it takes no prophet to predict a wonderful future and to know that much money will be made by the owner of well located property there. Don't forget, you cannot make the profit or derive the income if some one else owns it instead of you.

A wonderful investment opportunity or a beautiful ocean view home. Homesites with a wonderful 100-mile panoramic view of the mountains and the sea. Wise restrictions; also apartment, flat or bungalow court sites. Future business property. We can show you the best hotel site from view and investment standpoint in the West; and the prices are right—lower than they will ever be again in that location.

This free trip is a method of advertising. You are not obligated. Tell your friends about it. Please make reservations in advance, if possible, as the number of guests is limited to the number we can care for comfortably.

HOLLYWOOD FESTIVAL

(Continued from Page 1)

that the rivalry thus displayed was of that friendly character which draws the contestants closer together in the bonds of mutual esteem. We are especially glad to attend the Festival because its purpose is to aid in the erection of a memorial by the American Legion. We are very proud of our American Legion whether in Hollywood or Glendale, proud of the patriotism, valor, fidelity and unselfish devotion shown by its members when duty called them to their country's service, and proud of the spirit of patriotism and civic courage and those high ideals of justice and Americanism for which the whole organization stands. We therefore esteem it a great privilege to be present and assist in this Festival and we tender you our best wishes for its success.

The program numbers by the Royal Italian Band and the Oratorio "Elijah"—sung by the Los Angeles Oratorio Society—were enjoyed, but Glendale felt a little hurt after the effort it had made to respond to Hollywood's invitation when the entire chorus left its place at the conclusion of the oratorio, and the audience, thinking the program was over, began leaving, until recalled by the Festival director with a megaphone. Francis J. W. Henry was therefore at a disadvantage when called upon in the midst of this confusion, but was equal to the emergency and his Scotch songs, presented in full Highland costume, made such a fine impression that he was warmly encored and recalled.

Miss Viola Yorba and her brother, Ernest Martinez, were no less resourceful when it was discovered that the stage was not adapted to the presentation of the Spanish dances they had planned to give. Instead they sang Spanish songs which were the more effective because of their typical costuming. They, too, made a great hit and were enthusiastically encored.

As stated, thirty machine loads of Glendale visitors went from this city, thanks to the efficient efforts of Mr. Coker, who was chairman of transportation for the evening, and his plan of having them gather at the High School worked out all right.

W. C. T. U. CONVENTION

(Continued from Page 1)

porting them. Law Enforcement, by John Carter, Los Angeles Collector of Internal Revenue, gave enlightenment along that line. "Making a New World" was graphically portrayed in an eloquent address by Mrs. Mae Guthrie Tongier, receiving frequent applause. Space will not allow us to more than mention the fine addresses of Dr. Francis for the Young People, by Rev. James Walton and Dr. Bryant on the cigarette and tobacco question, which elicited much enthusiasm, and the many addresses on the various departments of work of the organization which showed great advance along such lines. The banquet Tuesday evening and the following addresses of wit and wisdom given by Long Beach representatives were greatly enjoyed. Music by Heald's Orchestra and the public school demonstration directed by Joseph Leeder, supervisor of music, and the beautiful flag drill that followed were all very entertaining, adding much to the interest of Young People's work. Vocal solos given by many talented local artists were also greatly appreciated. A demonstration of the Loyal Temperance Legion of children vividly showed the place that the children and youth have in the work for sobriety in our land. The dominant notes that continually rang through the session were "Law Enforcement" and "Sound the Jubilee" which means a million members and a million dollars before September 1st.

In reports and the work done Glendale was found to be abreast of the largest unions of the state. Mrs. Stella Irvine, president for the past five years, retired on account of failing health and Mrs. Helen Stoddard, of San Diego, was elected to fill the office, with Mrs. Julia D. Phelps, vice-president.
